

Children's Hospital of San Antonio, a Christus Health and Baylor University facility, is seeking board certified Pediatric Emergency Medicine and board certified pediatricians with emergency medicine experience to work in a state of the art emergency department. You are invited to explore an exciting opportunity for those who have a passion for academic medicine to join this growing department of Pediatric Emergency Medicine in the fabulous, family friendly city of San Antonio. Join our large group of dedicated pediatric emergency medicine specialists as we expand our department to include our major trauma center as well as free standing pediatric emergency centers throughout the city. Enjoy a flexible schedule with 8-10 hour shifts in a group that values work-life balance. You'll join a fantastic collegial working environment with access to state of the art equipment and exceptional subspecialty support in our brand new 48 bed emergency department situated in the heart of the city. Offer includes a base salary above the national average with generous benefits package including malpractice, insurance, 401K and much more. Please contact Kristine Rittichier at Kristine.rittichier@christushealth.org with questions or interest. All inquires are strictly confidential.
