

**MEDICAL EDUCATION FELLOWSHIP
DEPARTMENT OF EMERGENCY MEDICINE
THOMAS JEFFERSON UNIVERSITY HOSPITAL
PHILADELPHIA, PA**

The Department of Emergency Medicine at Thomas Jefferson University Hospital is proud to announce its one-year **Medical Education Fellowship** for graduating emergency medicine residents. Our intensive Fellowship is geared for residents seeking advanced training in pedagogy and learning theory; instructional design; and design thinking. The goal of the Fellowship is to prepare the Fellow for a highly successful career as an educational leader in academic emergency medicine.

Informed by the principles of Experiential Learning Theory, Transformative Learning Theory, and Self-Directed Learning Theory, the Medical Education Fellowships offers the prospective Fellow(s) the skillset to adapt to an ever-changing learning environment and educational landscape. The Fellowship will provide formalized training in adult learning in clinical and academic medicine, and will use simulation, telehealth, and patient safety (PS) and clinical quality (CQ) tools as vehicles to inform educational initiatives in undergraduate and graduate curricula, as well as faculty development programming and continuing medical education. In addition, the Fellow will identify a specific area of academic interest in the realm of education, and will be given the resources and time to develop his/her productivity within this specified domain. The Education Fellow will work clinically as an attending physician in the Emergency Departments (ED) of Thomas Jefferson University Hospitals.

Interested applicants should be graduates of an ACGME-accredited Emergency Medicine residency program. An application will consist of a letter of interest, curriculum vitae (CV), and 2-3 letters of recommendation. Please direct any questions to Dr. Dimitrios Papanagnou or Christina Melton. The deadline for application is October 1st, 2015. For additional information on the fellowship program, please visit:
