

The University of Iowa Department of Emergency Medicine is seeking an experienced faculty member to join our academic faculty and also serve as the State of Iowa EMS Medical Director. The successful candidate will divide time between practicing academic emergency medicine at a comprehensive academic medical center and serving as the State of Iowa EMS Medical Director providing central leadership and oversight of EMS care provided by a variety of urban, suburban rural, municipal, volunteer, private and fire department-based agencies. Candidates should be board certified/board eligible in EMS (preferable) or board certified/board eligible in Emergency Medicine by the American Board of Emergency Medicine with EMS experience.

The University of Iowa Hospitals and Clinics, a Level 1 Trauma Center for adults and children, is the state's only comprehensive academic medical center. We are one of the nation's largest university-owned teaching hospitals. The ED features 45 private patient rooms; a separate Pediatric ED; annual volume of 65,000+ patients; physician double coverage with PA/NP support; 6, 8 or 12 hours shifts. Extremely competitive salary enhanced by an excellent fringe benefits package, CME funding, exceptional opportunities for career development and advancement, a collegial work environment, and family friendly community.
