

Visalia, CA – Seeking Academic Emergency Physician

We are a physician partnership dedicated to providing the best practice locations and management support for physicians, physician assistants, and nurse practitioners. CEP America: where your voice counts.

The Opportunity

- CEP and the Graduate Medical Education Office are seeking a full-time Academic Emergency physician for core faculty
- Residency trained and ABEM certified a must
- Must have demonstrated research ability with an interest in either research administration or pediatrics
- **Applicant only. No agencies please.**

The Practice

Kaweah Delta Healthcare Emergency Medicine Program – Visalia, California

- This is a new EM program at the Kaweah Delta Healthcare District (KDHCD) Emergency Department which has an annual patient census of 95,000+
- Kaweah is a Level 2 Trauma Center and Base Station for four county EMS system
- KDHCD EM program has affiliations with several academic institutions; academic rank will be determined by credentials and shift reduction commensurate with responsibilities

The Community

- A picturesque community with stunning landscapes and excellent cost of living
- Incredible outdoor activities (hiking, world-class fishing, mountain biking, camping, skiing), and much more! Centrally located in California which is within a few hours of Monterey, Yosemite, Kings Canyon, Sequoia National Forest, San Francisco, and Los Angeles
