

Pediatric Emergency Medicine Faculty Position

The Division of Pediatric Emergency Medicine at Rainbow Babies & Children's Hospital Case Medical Center in Cleveland, Ohio is recruiting to expand our division. We currently seeking additional academically oriented BC/BE Pediatric Emergency Medicine physicians to join a well-established PEM Division. We are stable, energetic group of PEM physicians with a strong commitment to clinical care, research and teaching.

Clinical care is provided at our 244-bed, full-service children's hospital and academic medical center. University Hospitals Rainbow Babies & Children's Hospital houses the only Level I Pediatric Trauma Center in northern Ohio. Our board-certified trauma surgeons, nurses and pediatric emergency department are ready to respond 24 hours a day, seven days a week.

Our department participates in the training of residents in pediatrics, emergency medicine, and family medicine, and we have an active, competitive PEM fellowship. In addition to support services, UH Rainbow Babies & Children's Hospital Pediatric Trauma Center works closely with northern Ohio's first responders and EMS professionals to be sure they are well-versed in special issues related to pediatric trauma, emergency and safe transport.

Please send letter of interest and CV to Dr. Haitham Haddad, Interim Chief, Division of Pediatric Emergency Medicine, Department of Pediatrics, Rainbow Babies and Children's Hospital, 11100 Euclid Avenue, Cleveland, Ohio 44106, COR 6040,
Haitham.Haddad@uhhospitals.org

In Employment, as in education, Rainbow Babies & Children's Hospital and Case Western Reserve University is committed to Equal Opportunity and Diversity.
