

St. John's Hospital along with Southern Illinois University in Springfield, IL are seeking board certified/eligible Pediatric Emergency Medicine physicians for academic position. Illinois Non-academic employment is also available if desired. St. John's Hospital is the flagship facility of Hospital Sisters Health System. St. John's is a Regional Medical Center that offers a comprehensive array of tertiary health care services to a population of 1.5 million in central and southern Illinois. For more than 136 years, it has provided a unique brand of care that reflects its dedication to their patients. In addition it is a Level 1 Trauma Center for Pediatrics and annually rotates between a Level 1 and 2 with Memorial Medical Center. Helicopter transport service is also located at St. John's.

Within the Emergency Department are self-contained radiology services including a dedicated CT scanner and beside ultrasound. Position involves working with Emergency Medicine and Pediatric Residents in a tertiary care, community ER with total volume of over 50,000 with 13,000 pediatric visits. It is affiliated with a Children's Hospital on the same campus. Twenty-eight (28) clinical hours per week with additional hours reserved for research and education. The academic appointment includes: Generous compensation, CME support, Vacation time (5 weeks), state benefit package, and pension plan.

Our department has enjoyed strong, responsible and ongoing institutional support.
