

Academic-Affiliated Community Physician

Exceptional opportunities in Syracuse, NY for EM trained physicians interested in a community-based clinical career in an academic department. The department operates emergency services at nearby community hospitals as well as attending supervision in University Hospital adult and pediatric departments, and the Syracuse Veterans Administration hospital ED. Upstate University Hospitals are 750 beds, including Level 1 Trauma Center, Burn Center and Children's hospital. Department activities include: Coordination of regional emergency services, EM Residency Program, Poison Control Center, Hyperbaric Medicine and Wound Care Center; Fellowships in Pediatric EM, EMS, Wilderness, Hyperbaric Medicine, and Medical Toxicology; Simulation Training/Research Center; Paramedic Training Program; EMS Physician Response Team and Flight Program. EM offers an excellent compensation and benefit package, including relocation expenses or a bonus for signing. Protected time is available for research and academic missions. Qualified candidates are invited to send a letter of interest and CV to:
