

Emergency Medical Associates (EMA) is seeking an BC/BE Fellowship-trained Pediatric EM physician for Goryeb Children's Hospital at Morristown Medical Center, a 550-bed regional teaching hospital with 71 ED beds, located in Morristown, NJ. This academic EM Residency program includes Fellowships in pediatrics, ultrasound and EMS.

Our pediatric ED is adjacent to our state-of-the-art, newly renovated adult ED, with shared trauma (Level I Trauma Center) and fast-track emergency area. Adult ED features a Chest Pain Center, Stroke Center, Fast -Track and is Bariatric, Geriatric and Autism friendly. In terms of onsite practice support, this site features scribes, associate practitioners and EMR. The ED provides EMS control with hospital-based specialty transport transfer and helicopter program.

Morristown is a beautiful suburban enclave, located only 40 minutes from NYC, in historic Morris County and features a vibrant nightlife, eclectic shopping, award-winning restaurants, performing arts center, private schools, parks, museums, and a great public "town green." Morristown is home to the College of Saint Elizabeth and Farleigh Dickinson University.
