Employment Posting Category:	Faculty
Type of Application: (required to apply for this posting)	Candidate Profile
Organization (Position Organization):	40715 MD-EMED Emergency Medicine
Department:	Department of Emergency Medicine
Location:	Charlottesville
Working Title:	Assistant / Associate / Professor of Emergency Medicine
Posting Summary: Click here for an example.	<p>The Department of Emergency Medicine at the University of Virginia seeks applicants for multiple tenure-eligible or tenure-ineligible faculty positions. We seek highly motivated and talented EM Physicians with specific interest in the administration of management, training, and leadership involving emergency medicine and critical care medicine. The selected individuals will work with faculty members and the Chair on research, instruction, and the application of emergency medicine and critical care medicine. These positions carry faculty appointments in the School of Medicine at the University of Virginia, and will include clinical hours within the department of emergency medicine and within the intensive care units. Rank and tenure status are dependent upon qualifications.</p> <p>Critical care opportunities will include the provision of care of patients with surgical, medical, cardiovascular, trauma, or neurological needs. There will be significant opportunities for direct patient care as well as the supervision and teaching of medical students, residents, and fellows. Assignment to specific areas of critical care is flexible and will be determined by mutual agreement based on prior experience of the applicant.</p> <p>Faculty will also have protected time to support scholarly pursuits. Applicants must be interested in advancing their academic career by joining a diverse and highly accomplished faculty. The successful candidate will demonstrate a desire to excel clinically and pursue research and leadership opportunities for professional development.</p> <p>Candidates must have an M.D. or D.O. and be board-eligible or board-certified by the American Board of Emergency Medicine or the American Osteopathic Board of Emergency Medicine. The successful applicants must be emergency medicine residency trained and have completed fellowship training in Critical Care Medicine. Applicants must also be board-eligible or board-certified in Critical Care Medicine by the American Board of Internal Medicine, American Board of Surgery or the American Board of Anesthesiology.</p> <p>The Department of Emergency Medicine has a significant training commitment. There is an established emergency medicine residency program and there are fellowships in Medical Toxicology, EMS, Cardiovascular Emergencies, Ultrasound. Trauma and Education. The UVA Health System is a 700 bed</p>

	<p>tertiary care and Level 1 trauma center with an annual census of 60,000 located at the foot of the Blue Ridge Mountains in Charlottesville, Virginia, a city that has consistently been rated as one of the best places to live in the U.S.</p> <p>To apply, visit http://jobs.virginia.edu and search for Posting Number 0619109. Complete a Candidate Profile online, attach a cover letter, curriculum vitae, and contact information for three references. Tenure-ineligible positions may be eligible to convert to tenure-eligible at an appropriate time in the future, consistent with the School of Medicine Promotion and Tenure guidelines and candidate qualifications. Positions will remain open until filled.</p> <p>Questions related to this opportunity should be directed to Dr. Robert O'Connor, M.D., MPH, Professor and Chair, Department of Emergency Medicine, reo4x@virginia.edu.</p> <p>The University of Virginia is an affirmative action/equal opportunity employer committed to diversity, equity, and inclusiveness. Women, minorities, veterans and persons with disabilities are encouraged to apply.</p>
<p>University Leadership Characteristics:</p> <p>Closing Date:</p>	<p><i>For Thomas Jefferson, learning was an integral part of life. The "academical village" is based on the assumption that the life of the mind is a pursuit for all participants in the University, that learning is a lifelong and shared process, and that interaction between scholars and students enlivens the pursuit of knowledge.</i></p> <p>University Human Resources strives to identify applicants who will contribute as high potential employees, leaders and managers. We employ individuals who foster and promote the University mission and purpose. Successful candidates exemplify Uncommon Integrity; they are honest, trusted, team-oriented and live the core values of the University. These candidates display Great Judgment, by practicing evidence-based decision-making. They are Strategically Focused by contributing to and achieving department goals and vision. They set high performance standards and hold themselves accountable by Aggressively Executing these standards. These employees also develop a Deep Passion for the University and the impact it has on students, faculty, alumni and community. Successful candidates identify their personal career goals and development opportunities. They contribute to team success by Leading Talent through individual efforts.</p> <p>Open Until Filled</p>
