**Distinguished Open-Access Emergency Medicine Journal**

The Western Journal of Emergency Medicine: Integrating Emergency Care with Population Health (WestJEM) has been in publication since 2007. It is MEDLINE indexed and in all major medical databases. It is the premier open-access, peer-reviewed emergency medicine journal read by over 16,000 physicians, residents, and healthcare providers all over the world and over 200 distinguished emergency medicine chairs and program directors across the nation. We have over 5,000 monthly hits at our website www.westjem.com.

Open-access means increased visibility, which means your advertisement will appear in:

- the print copies of the WestJEM.
- in the interactive, electronic issue with live links redirecting readers to your website.
- online at www.WestJEM.com with live links and full color.
