

Western Journal of Emergency Medicine

Integrating Emergency Care with Population Health

Department Sponsor Kit

INTERNATIONAL EMERGENCY MEDICINE OPEN ACCESS JOURNAL

The Western Journal of Emergency Medicine: Integrating Emergency Care with Population Health (WestJEM) has been in publication since 2007. WestJEM is the premier open access, peer-reviewed emergency medicine journal read by over 19,000 physicians, residents, and healthcare providers and over 200 distinguished emergency medicine chairs and program directors across the nation. We have over 170,000 hits and downloads from our websites.
